

Pack 107 Hiking Club Rules

1. All Pack 107 Cub Scouts are members of the Hiking Club. Parents or Guardians, and siblings are encouraged to attend, but may not earn mile awards.
2. Hiking mileage will only be awarded for official Den, Pack 107, or Three Fires Council sanctioned events. Mileage credit will not be awarded for vacations, family outings, or other non-Pack related activities.
3. Two adults, one who is a trained leader, must lead the activities. One adult leader will be assigned to the front and guide the group hikes. The other adult is assigned the “tail” position – no Scouts are allowed behind the tail adult. An older scout may assist the adult leader and co-lead the hike. This will allow the scout to practice map reading and decision making along the route.
4. All Pack/Den hikes should have a purpose i.e.: explore a trail; perform community service, or theme hike.
5. One “neighborhood” hike of no more than 3 miles is allowed once per year.
6. A Den (or Pack) may credit miles for a community service event or project. For example: street/park clean-up, American flag distribution, local trail, etc...
7. The Den leader must submit all qualifying miles, with details (mileage, event location, and name of Scouts) to the Hiking Coordinator via Scouttrack.
8. The Hiking Club award schedule is listed below. All awards will be presented at the next Pack meeting after the award threshold is surpassed, provided the appropriate segments are available.

Mileage	Award
1 st hike	Hiking Segment
10	Brag Vest Segment (X)
20	Brag Vest Segment (X)
30	Brag Vest Segment (X)
40	Brag Vest Segment (X)
